

What's included in your day trip

- All snorkel and scuba dive equipment hire is included in your trip along with **one free scuba dive**
- Unlimited morning and afternoon snorkelling at two reef locations. Non-swimmer snorkel tours are also included throughout the day for those who require assistance in the water.
- Glass bottom boat tours are a great way to witness life beneath the waves. (Glass bottom boat tours are weather permitting).
- Breakfast bacon & egg rolls, lunch buffet and afternoon cheese, wine and biscuits are served. Dietary requirements will be met; please advise upon booking. All food is locally sourced and prepared fresh by our onboard chef.
- The interactive Marine Biology Presentation is a great way to learn about the marine life from our resident, onboard expert as you journey to your first reef destination.
- For those staying in the Cairns business district area, bus transfers to and from your accommodation to the boat are included in your day trip.
- Unlike other operators mandatory reef tax and fuel levies for visiting the Great Barrier Reef Marine Park are in the trip cost, so there won't be extra hidden charges on the day.
- Tea & coffee served throughout the day except during journey times.
- Sun cream is provided onboard free of charge
